

Booking conditions Camping Alpenblick GmbH

Important info for ACSI Campcard

Most Campingcard-owners travel spontaneously with us. Reservations are accepted only conditionally, as the number of 20 € - places is limited and therefore not specifically reserved. However, we will gladly keep you a place on our campsite. However, there is absolutely no guarantee that you can obtain one of the cheap ACSI parcels and there is no legal claim to it. The residence time will be charged in advance. Cash payment in CHF or € possible, with card payment plus 2% bank charges!

Reservation requests:

Reservations for June - August will be accepted at the latest 30 days prior to arrival at office hours by telephone or e-mail or at www.camping-alpenblick.ch. The minimum length of stay for a reservation is 3 nights. Parcel wishes are considered as far as possible. The management reserves the right, however, to change the confirmed stand numbers at any time and to assign replacements.

Financial obligation by reservation in case of early departure:

The whole stay will be settled on arrival. In case of cancellation due to bad weather the deposit will not be refunded. The guest undertakes to pay the full court fee for all reserved calendar days, that is, not only for the parcel, but also for the persons, car, electricity, etc., even if, for whatever reason, he arrives late or leaves prematurely. In case of cancellation or early departure we have the right to dispose of the parcel.

Arrival and departure times:

Reserved parcels can be occupied from 13.00 on the day of arrival. If there is a delay, the guest must notify us until 18.00 o'clock, otherwise the place will be passed on. Departing guests must vacate the place by 11.00 clock. In special cases, the Directorate may authorize an extension.

Reservation deposit:

In exceptional cases, we require a reservation deposit. This will be communicated personally.

If you can reserve without a down payment and have not arrived by 6 pm, the parcel will be passed on. You can prevent this by calling us in a timely manner.
